## 2016 YANYARRIE SHIRAZ

### *Tasting Notes:*

“Yanyarrie” is aboriginal for the eagle feathers that are part of the Hahn Family Crest and are also featured in the background of this elegant label under *Neil Hahn Wines*.

### **Description:**

---

This 2016 Shiraz displays beautiful bright red colour with attractive purple hues.

The bouquet has alluring plum and red berry aromas with a modicum of sweet vanillin oak to round it out.

The palate is rich and generous with plenty of plum characters and hints of pepper leading to a very long, tight finish including elegant fine grained tannins.

### **Cellaring:**

---

This wine will continue to develop and evolve in bottle, over the next 4-6 years and will be a joy to drink for many years to come.

### **Food Suggestions:**

---

The 2016 Yanyarrie Shiraz is the perfect accompaniment to a steak on the barbeque but would also be go well with spicy meat dishes or aged crumbly cheese.
