## 2018 YANYARRIE 'EDEN VALLEY' RIESLING

*Tasting Notes:*

“Yanyarrie” is aboriginal for the eagle feathers that are part of the Hahn Family Crest and are also featured in the background of this elegant label under *Neil Hahn Wines*.

### Description:

This Riesling is light, bright, pale yellow in colour.

There are delightful lime and lemon citrus aromas on the bouquet with just a hint of rose petals.

On the palate there are elegant, crisp citrus and floral flavours with a slight hint of musk and a superb cleansing, lingering finish.

### Cellaring:

This elegant wine is ready for drinking now, but it also has the ability to blossom and evolve over the next few years to become a classic, mature Barossa Riesling.

### Food Suggestions:

This Riesling is ideal to be enjoyed with seafood or antipasto dishes.
